Arianna Nesbitt discussed Health Dept. services and budgeted amounts. Jamie Pipher noted that the Rural Health Network recently got funding to provide services in collaboration with Lower Keys Medical Center at the dePoo building clinic. Deb Barsell discussed her report of County services with the task force, adding that Monroe County, the Guidance Clinic, and the City of Key West have recently been working together on transportation service issues. Wendy Coles and Deb Barsell discussed the locations of County services. Dave Owens discussed his report of services provided or funded by the Sheriff's Dept. Alexsa Leto joined in the discussion of organizations funded by the Shared Asset Forfeiture Fund. Wendy Coles discussed county needs, major issues, population, and making the funding match needs. Jamie Pipher discussed best practices and the processes of other counties. Alexsa Leto discussed efficiency and collaboration. Dave Owens and Deb Barsell talked about contracts for more than one year. Dave Owens noted that uncertainty of the funding amount from year to year would be an obstacle to overcome in creating multi-year contracts.

Deb Barsell suggested letting the HSAB see the results of the task force's work before it is presented to the Commission. Sylvia Murphy said that the task force and HSAB could have a joint meeting with the proper public notice. Alexsa indicated she would not produce the assignment due to her dual role on the Board and TF.
